.....

### III. RELATION TO LANGUAGES

First fill in the name of the language in the empty space.

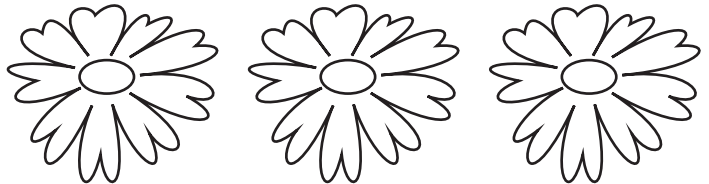

Next, circle one or more answers below.

Then color the flowers depending on whether you agree or disagree with what is written about that language. The more you agree, the more flowers you should color.

1. The language I speak the best is: .....

I learned it:    at home    at school    somewhere else

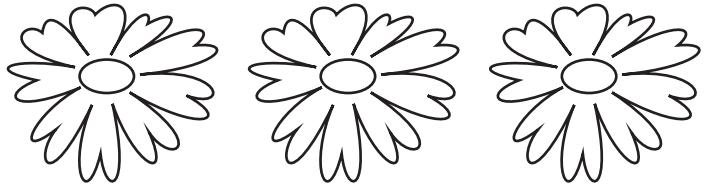

I like this language, it sounds nice.

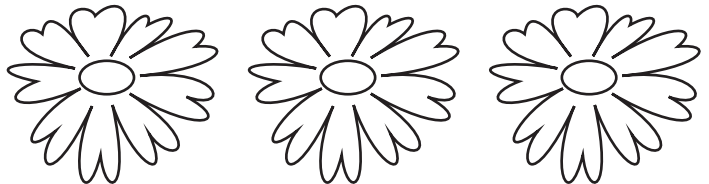

I think it's easy to learn this language.

It's important for me to know how to speak this language.

I would like to read books in this language.

2. I also know how to speak another language<sup>2</sup>, which is: .....

I learned it:

at home

at school

somewhere else

I like this language, it sounds nice.

I think it's easy to learn this language.

It's important for me to know how to speak this language.

I would like to read books in this language.

---

<sup>2</sup>If there are several other languages, you can print this page several times.

### 3. Now I'm learning **CZECH**.

I learn Czech:

at home

at school

somewhere else

I like Czech, it sounds nice.

I think it's easy to learn Czech.

It's important for me to know how to speak Czech.

I would like to read books in Czech.

4. Is there a language that you don't speak but that you would like to learn? Why?

.....

.....
