MULTILINGUAL CHILD'S CARD

Child's name:

Date:

Child

1. What name should we use for your child? How is their name pronounced correctly? What form of address does your child prefer?

2. Has your child attended preschool or another early childhood education setting before?

3. Is your child looking forward to starting preschool? Do they have any worries or concerns?

4. What are your child's interests? What are their favourite toys and activities?

5. Does your child attend any extracurricular activities? If yes, which ones?

6. Is your child used to resting after lunch?

7. Can your child tell an adult when they need to use the toilet? Does your child need help with using the toilet?

8. Can your child ask for help when needed (for example, with getting dressed)?

9. Can your child dress and undress independently (zips, buttons, shoelaces)?

Languages

1. Which languages do you speak at home? (Does your child use the same language with both parents? What language do they use with their grandparents?)

2. Which language does your child feel most comfortable using?

3. Are there other languages in their environment (for example, due to living abroad, a multi-lingual caregiver, or international preschool)?

4. What language do the parents use when speaking to each other?

5. Has your child already learned some Czech? If yes, where and for how long? How do they feel about the Czech? Is anyone else in the family learning Czech?

6. How does your child use their home language(s)? For example, which language do you use for songs, books, or bedtime stories?

Family

1. What can you tell us about your family? Does your child have siblings? If yes, how many and how old are they? (e.g. two-parent family, shared custody, or multigenerational household.)

2. How long has your family been living in Czechia? If you feel comfortable sharing, you may also describe your migration journey (optional, helps us better understand your child's background).

3. What would you like your child to learn in preschool? What are your expectations? Are you familiar with the preschool's educational programme?

Culture

1. Which holidays are important in your family? Which ones do you celebrate?

2. Are there any cultural traditions that are important to you? Would you like us to include or acknowledge them in preschool?

3. What are your family's eating habits? Are there any foods your child cannot eat? Does your child have any allergies?

4. How familiar are you with Czech culture, and how would you like your child to learn about it?
